

ACKNOWLEDGEMENT

The success and final outcome of this project required a lot of guidance and assistance from many people. I am extremely privileged to have got this all along the completion of my project. All that I have done is only due to such supervision and assistance and I would not forget to thank them.

I would like to take this opportunity to thank respected Dr. Rajesh Bagga, Director, AIMTC, Jalandhar and Dr. Kulwant Kaur, Dean SIT for providing me an opportunity to undertake this project work titled “Clinical Laboratory Management System”, and giving me all support and guidance, without which this project would not have been possible.

I owe my deep gratitude to our project guide Dr. Amit Sharma, without whose guidance and support this project would not have seen the light of the day. His suggestions and recommendations guided me a lot. I am grateful to him for providing all the necessary information for developing a good system. I am extremely thankful to him for providing such a nice support and guidance.
